## A MESSAGE FROM A FRIEND

Jackie Roth asked me to pass along this message from Clarita Rader.

Dear Friends at Covenant Community Church,

I feel I owe you a few words about Charlie's and my situation. Sometimes life does not turn out the way we planned. Sometimes it turns out better. I know you all have been concerned about our life at Greenfield Estates; It is going well. We are well cared for, and we are satisfied with our situation.

I wanted to be with Charlie, this was the only facility, that I know of, where we could share the same room, even through death. Charles has some problems that if we were elsewhere, he would have to be alone in a different unit. I did not want that. We have been married 65 years. The food is good, and the help is kind. We are satisfied.

I know at the beginning I was unhappy and expressed it loud and clear to everyone! Now that I have taken time to reflect, I realize we had to make a change. This was a good decision. Now that we are in our new place, I realize that we are in the right place.

If anyone wants to visit, we would love that! Make sure to call me first at 330-466-0107.

Much Love to all in Christ, Clarita
